CIRCULAR

Sub: Pondicherry University – MD/MS Degree course – Submission of Students Attendance Particulars at the end of each Academic Year as per the PG Regulation of Pondicherry University & Unrecognized students are not admitted for University Examination – Reg.

- I. With reference to the subject cited above, it is observed that the affiliated Medical Colleges are submitting calculative the attendance particulars of Post Graduate students at the end of 3 years cumulatively against the Pondicherry University PG Medical Regulations. It violates the system of conducting the examinations.
- II. It is brought to the notice of all concerned that there is no provision for condonation for the attendance shortage of PG Medical students both in Pondicherry University and MCI Regulations. Some colleges are quoting the general guidance mentioned in PU ordinance which is not correct, as Medical courses are governed by the MCI & PU Regulation specifically.
- III. Therefore, all Medical Colleges affiliated to Pondicherry University are hereby instructed to strictly adhere the Pondicherry University Regulation, students who has attendance below 80% should not be allowed to continue the course/training in the next year, till 80% attendance is reached.
- IV. Attendance details of all PG Medical Students are to be submitted to COE at the end of every academic year, with Biometric data of the attendance. Biometric data are to be maintained minimum 2 years after the completion of the course (In total, 5 years it should be maintained by the college).
- V. For PG Medical Students, whose admission is not recognized by the University, the colleges are instructed not to (i) register any details in an online portal of Examination Wing (ii) Submit project reports to University.
