C I R C U L A R

Sub: BDS – Double Valuation of Answer Scripts – Reg.

Ref: 1. AC. Resolution No: 2008.58.27.
2. Letter No. PU/ ACA- 7/ 2008-09/ 444, dated 24.07.2008.

As per the DCI / PU Regulations 2008 – 09 and in line with other medical courses, the system of “**Double Valuation**” for the BDS papers would be adopted for evaluating the answer scripts from July 2018 examination session onwards.

The answer script will be evaluated by two examiners both internal and external separately and the average of the two marks will be taken for final marks. Any paper having differences of 15% of maximum theory marks shall be taken for third valuation and the final marks will be arrived taking the average of third valuation and the nearest marks. There will be **no revaluation** for BDS papers from the forthcoming examinations i.e. July 2018 onwards due to the shift to double valuation system.

The students may be informed accordingly.
